Packaging Guidelines

No idea how to pack your parcel? It's all about preparing it for its ride on the way to its destination. Here is a more in-depth look at preparing your parcel for its journey.

Use sturdy packaging

- ✓ Corrugated fibreboard is recommended
- ✓ Avoid damaged/weak boxes or cloth bags
- ✓ Use appropriate types of packaging for your items (jiffy bags for small items, triangular tubes for rolled paper)

Cushion Its Contents

- ✓ Bubblewrap, foam sheeting/ moulds, polystyrene chips is recommended
- ✓ Wrap each item before placing them in their box
- ✓ Label your items as fragile if necessary
- ✓ Seal it well. Reinforced carton tape is best

Airway Bills

- ✓ Use our Pgeon Flyers which are designed to hold AWBs
- ✓ Make sure tape and/or other old labels aren't covering up your AWBs
- ✓ Don't handwrite your AWBs
Print them from www.pgeon.delivery
